Responsibilities and Competencies:

- Carry out cleaning tasks of aircraft interiors.
- Remove and install interior components.
- Request parts and materials using the manufacturers manuals.
- Ensure all documentation of work performed is clear, accurate, up to date and signed for on a daily basis.
- Adhere to all company policies and procedures/
- Participate in company SMS and report all hazards or incidents in accordance with company reporting procedures.
- Ensure a clean work area exercise FOD vigilance.

Skills & Qualifications:

- Post secondary education.
- Good understanding of the English language with the ability to read, understand and follow instructions contained within Aircraft Manuals and Publications as it relates to Aircraft Maintenance.
- Must possess excellent interpersonal and organizational skills.
- Demonstrate a commitment to continuous improvement.
- Must have excellent mechanical aptitude and mechanical experience.
- Ability to lift approximately 20 lbs.
- Must have a clean criminal background and provide a valid police criminal record check.
- Must be able to legally work in Canada.

Typical benefits include:

- Competitive Salary
- Life Insurance
- Extended Health & Dental Care
- Health & Wellness Benefits
- Paid vacation in accordance with federal government requirements.

Working hours:

Working hours are mainly 7:00am to 4:30pm Monday to Friday, and overtime scheduled when required. Extra hours may be required to complete project deadlines and support operating at critical times.
